21 September 2018

Dear Parents/Carers

CyberFirst Adventurers (Years 7 – 9) is a free one-day development course aimed at students who have not yet made their GCSE (National 4/5) choices (11 to 14 year olds) and their parents / guardians. The course is designed to showcase the varied roles and jobs that both exist and involve the use of technology in the workplace, to enthuse and inspire the participants into an interest in technology.

As students GCSE (National 4/5) choices are often made in conjunction with their parents / guardians, the course is designed to involve these adults too, so that they can see the benefit of students studying computer science, as well as how positive a mutual experience it can be.

The course is on a Saturday between 10.00am and 4.00pm. Each course consists of four themed modules offering interactive, hands on learning.

There is still space on the event in Southampton on 17th November

Follow this link for more information:

<https://www.smallpeicetrust.org.uk/courses/adventurers-southampton/>

Lunch and refreshments are provided. Places are allocated on a first come, first served basis. Places are limited and each student can only bring one parent / guardian.
