5th March 2019

Dear Parents & Carers

UNIFORM & ESSENTIAL EQUIPMENT EXPECTATIONS

We at Guildford County School continue to be very proud of our uniform and it is essential that you continue with your support and ensure that students wear their full uniform, smartly and correctly both on their way to and from school. As you know we are well-respected in the local community and the smart appearance of Guildford County School students both inside and outside school is a major step in maintaining our outstanding reputation.

Over the next few weeks I have asked all Assistant Heads of House and Heads of House to ensure that their Tutors do a stringent check on uniform with their tutor groups. We intend to focus on particular areas of the uniform during particular weeks. If your child fails to attend school with the full school uniform during these weeks you will receive a call from the tutor immediately.

It is also our intention to check that students, during this busy time of the year, attend school with essential equipment. I am sure after the Christmas break many students will have received the items listed below as extra little presents in order to help swell their pencil case! Nevertheless, they are essential items for students to have during school time. Expected items are: pens; pencils; ruler; protractor; calculator; compass; red pen; and a selection of coloured pens and pencils. We will also be asking students about their use of 'Insight'. This is an essential form of communication between school and home and we expect all students to be using 'Insight' on a regular basis.

With this in mind, please find below the dates the focus areas for the coming term:

Week beginning 11th – 15th March – Skirts and white socks

Week beginning 18th – 22nd March – Jewellery and nails

Week beginning 25th – 29th March -- Shoes

Week beginning 1st – 5th April – Use of 'Insight' and all the items expected for 'Readiness for Learning'.

I would like to thank you all once again for your continued support during this academic year and wish you all a happy and prosperous new year.

Yours sincerely

A J Lewis
Head of Lower School
