

GUILDFORD COUNTY SCHOOL PHOTOGRAPHS AND VIDEO POLICY

It is important to Guildford County School that we celebrate the work of all our students.

We want to be able to use photographs taken in school by staff and third parties to publicise the school's achievements on our website, in the prospectus and in the media.

Under the terms of the Data Protection Act 1998, we need parental permission to use your child's photograph for publicity purposes. Students whose images appear on the website will not be named.

If parents are happy to grant permission, they do not need to do anything. However, parents who do **NOT** want their child to be photographed, filmed or interviewed during their time at Guildford County School should confirm the school in writing or email info@guildfordcounty.surrey.sch.uk
